Burnout paradise the ultimate box ps3

in: Burnout series, Burnout Paradise Comments Shared by One Player, Online Multiplayer PC (Windows XP (SP2) or Vista)PlayStation 3Xbox 360Xbox One February 2, 2009 (EADM)February 5, 2009 (NA)February 6, 2009 (EU)Mar 12, 2009 (Steam) February 5, 2009 (NA)February 6, 2009 (EU) February 5, 2009 (NA)February 6, 2009 (EU) Burnout Paradise: The Ultimate Box is reissuing Burnout Paradise with all its free updates and the game changing content packages at the time of exit; Astaire, Bogart, Cagney, Burnout Bikes, PlayStation 3 Trophies (PlayStation 3 release), Party Pack and Free Update Feb. It is the first Burnout game to be released on your computer. Its multi-player servers were shut down on 1 August 2019 [1] It was released on 5 February 2009 for PC in North America, and on 6 February 2009 for PC, PlayStation 3 and Xbox 360 in Europe and Asia. Users who purchased the game through the EA Downloader Store were able to gain access to the game 4 days before its worldwide release. The 10th anniversary Burnout Paradise Remastered definitely release in March 2018 on PC, PlayStation 4 and Xbox One includes all downloaded content that still has multi-player servers running. Demo in February 2009, demo for Burnout Paradise: The Ultimate Box is available for download for PC from criterion games and EA websites, as well as from discs distributed worldwide. In the demo version, you start the game with the first vehicle (Hunter Cavalry) and progress in unlocking the other two (Hunter Mesquite and Nakamura SI-7). All areas of Paradise City are available. Every event in Burnout Paradise is also available. You can even play online. However, the player will only be able to play demo until the 15-minute deadline expires. PC System Requirements Minimum Requirements OS Windows XP SP2 / Windows Vista CPU 2.8 GHz Intel Pentium 4 or Equivalent (3.2 GHz Intel Pentium 4 for Vista / 7) CPU Speed 2.8 GHz (3.2 GHz for Vista / 7) RAM 1.0GB (1.5 GB for Vista / 7) Video card NVIDIA Ge Power 6600 + / ATI Radeon X1300+ Video RAM 128MB Direct X 9.0c Pixel Shader 3.0 Vector Shader 3.0 Disk Space 4GB (8.1 GB for EADM version only) DVD-ROM 8X speed DVD-ROM drive (disc version only) Multiplayer 512kbit/s Broadband Internet connection An Internet connection is required to register a product. Higher Spec computers will get better quality. Quality comparison All images were taken at 1280 x 1024 in a ratio of 5:4. Click the pictures for higher resolution. Low medium high ultra image texture settings standard highest Env mapping low standard shadow low mid-high anti-aliasing 0 0 0 x8 SSAA off to Ultra System Specifications OS Windows 7 (64-bit) CPU AMD Phenom 9150e Quad-core CPU speed 1.8 GHz (rated 3.6 GHz) RAM 4GB (1066 MHz) Video card ATI Radeon Sapphire HD 5770 Video RAM 1GB (GDDR5) Direct X 11 Pixel Shader 4.0 Vector Shader 4.0 30 frames per second with SSAA On.60 frames per second with SSAA Off. Quality Nvidia and ATI video cards are equipped with software that can edit the final displayed quality. This software can usually be accessed through the manufacturer's logo displayed on the right side of the taskbar. ATI also offers a program called AMD Fusion Utility that can offer higher quality for those with AMD processors and ATI Graphics cards although this program can have negative effects on the overall performance of the computer if used incorrectly. PC Version Additions A number of add-ons have been added to the PC version of the game while developing additional content for the console version of Burnout Paradise. These add-ons are only available for the PC version. Motion Blur available for third-place camera. Soft shading along the edges of the shadows and within normal maps Increased texture details SSAA light effects Support for 4:3, 5:4 & 16:10 Resolution Support page ratios above 1280x720 Dual & Triple monitor support Additional anti-aliasing (4x & 8x) Adjustables in Contrast & Gamma Advanced Self-Conscious Textures References Burnout series Burnout Paradise Community content is available under CC-BY-SA unless otherwise stated. The fifth entry into the Gonzo racing series, Burnout Paradise gives players permission to wreak havoc in Paradise City, the ultimate racing battleground, with a vast infrastructure of traffic-heavy abuse roads. Gone is the need to jump in and out of the menu and the nonsense pursuit of entertainment like many open-world games. In Burnout Paradise, every inch of the world is built to deliver heart-stopping Burnout-style gameplay. Every intersection is a potential collision hub and every alley is an opportunity to amass moving offences. Burnout Paradise: The Ultimate Box is a special edition that includes all game award-winning Burnout Paradise games plus previously released burnout Paradise Cagney and Burnout Paradise Bikes content and brand new Burnout Paradise Party content. Burnout Paradise Party is an offline multiplayer mode designed to allow up to eight friends to pass-the-pad in dozens of Burnout challenges. Burnout Paradise: Ultimate Box Cheats and Codes (1) PS3 News | October 31, 2008 Criterion Games, studio Electronic Arts Inc. (NASDAQ:ERTS) announced Burnout Paradise The Ultimate Box today - a special edition that includes the award-winning Burnout Paradise game plus previously released burnout Paradise Cagney and Burnout Paradise Bikes content updates, and brand new Burnout Paradise Party content. Burnout Paradise Party is an offline multiplayer mode designed to allow up to eight friends to pass-the-fall in dozens of Burnoutchallenges. For players who already own Burnout Paradise, Burnout Paradise Party will be sold separately as downloaded content. Read more » :: More news, reviews, features and articles... Also available on: PC, Xbox 360 Explore paradise - From big-surf beach, to downtown gridlock, there are more than 30 square feet a state-of-the-way driving field for research from the start. Nothing's blocked. Burnout Your Way - Just drag up to more than 120 traffic lights and spin the wheels to start one of five different events - classic Race, Road Rage and Burning Route, and brand new Stunt Run and Marked Man games. Instant Online - Burnout Paradise sets a new standard in the online board game. Check out your friends online with an easydrive list of friends and connect with them immediately without waiting or leaving the game. Team up or Take Off - Join forces with up to seven of your friends to beat hundreds of online FreeBurn challenges together or warm up the competition and head to user-created race routes. Road rules - Make and break the rules of each road by setting a citywide speed and destruction record. Keep track of how much you own against your friends! Mugsshots - Track the length and breadth of up to 2,500 online rivalries. In moments of victory grab the mugsshots of opponents who connected the PlayStation Eye camera. Get sweeter over them even more in your trophy room or export them for the ultimate bragging rights! Speed, speed and even more speed - The revamped, race-tuned Burnout game engine delivers intense speed to boost the gameplay to a super-smooth and super-fast 60 frames per second. Showtime: Crash Anywhere, Any Time - Do you want to bring chaos to the streets of Paradise? Send your car wreckage, spinning and scraping down the road, breaking through traffic and leaving a trail of expensive wreckage in your wake. Crash Deformation - Burnout Paradise has a brand new deformation technology that gives players stunning close-up views and slow-motion views of super-real destruction. Cars - Muscle cars, exotics, hot rods and even super-filled SUVs, engineered to look nice whether they're brand new or mashed into waste. Choose from stunt, speed or aggressive car classes, each of which is built with its own unique ability to drive to give you an edge for specific challenges. Turn off roaming rivals and rack up wins on your license to strutting the streets in a wide variety of unique rides. Take it Aerial - Go up in the air and pull the rolls of earning barrels and spectacular in-air spins. Find hidden jumps to get to secret rooftop routes and 120 smashable Burnout Billboards. Driver's license - Start with a learning license, then rack up wins to progress all the way to a Burnout Elite driver's license - the ultimate recognition for any safety-unaware driver. Burnout Paradise Party brings Burnout Paradise's social entertainment to an offline environment where friends can walk past pads to play competitively. There are dozens of quick, turn-based challenges where players compete in a variety of stunt, fast and skillful events. Contains a new restart option added for racing. Easier early vehicle control. Packages in Burnout Paradise and Burnout™ Paradise Bikes content updates updates
